BUFFALO GROVE HIGH SCHOOL

Orchesis 2017-2018

Thank you for your interest in auditioning for the 2017-2018 Orchesis Dance company at Buffalo Grove High School. Please take some time to thoroughly read through all of the information in this packet! This packet was developed to communicate policies, procedures, and purpose of the program to parents and students interested in Orchesis. As director, I would like to make it known that it takes dedication and cooperation from myself, the members of orchesis and their parents/guardian in order to have a successful year. Together we can make this a positive, educational, and fun experience. In order to be sure that everyone involved is willing to make the commitment and abide by all of the rules and regulations set forth, please be sure you fully understand all of the issues addressed in this packet.

SELECTION/AUDITION

Participation in Orchesis is a privilege and an honor, not a right to be taken for granted. One of the most difficult jobs as a director is to select its members. It is necessary to hold auditions for placement. The Auditions are judged by professionals that have worked in the dance field or professional performance environment. The criteria evaluated through out the audition process is: knowledge, technique, performance, and rhythm of the combinations. A *teacher recommendation* or information sheet on dedication, work ethic and attitude, and their questionnaire can also be used as a reference.

Additional Guidelines-

Once a student has tried out for and been accepted into any of the above organizations, the student can no longer tryout or be accepted into another organization. Please note the conflicts: Fall team sports, All Winter Sports and productions, Spring Team Sports, Expressions, Bisonettes and Cheerleading.

WHAT IS ORCHESIS?

Orchesis is a performing dance company that encourages all forms of dance including: jazz, ballet, modern, hip-hop, lyrical, tap, character, ethnic styles etc. It is a co-curricular activity that, along with performing, focuses on exploring, creating, and producing dance as an art form. Orchesis is also an excellent opportunity to make close friends and offers many performance opportunities at several school related events.

PE CLASS CREDIT

Upon being invited into Orchesis, your school schedule will include Orchesis as your 8th hour class in place of general Physical Education. Please be aware that although Orchesis spends most days dancing during 8th hour, the group does take the place of your PE class, so you will be responsible for fulfilling your PE credits as well as participating on Fitness Days and Fitness Testing.

EXTRA CURRICULAR ACTIVITIES

Orchesis is a YEAR long activity and if you are chosen as a member you are making a major commitment. Any member of this group will not be allowed to participate in any other Blue and Orange spirit group (Cheerleaders, Bisonettes, Expressions) You should consider the rehearsal expectations of Fall and Winter activities when trying out for Orchesis. Many dramatic productions as well as other Fine Arts activities will require a time commitment that conflicts with the expectations of Orchesis. Please consider this carefully prior to trying out. Dancers are encouraged to continue taking dance technique classes at their studio, but please be advised to our rehearsal schedule when signing up. There will be 3 rehearsal schedules throughout the year (see rehearsal section). Please make every effort to schedule work around Orchesis rehearsals and performances as they do in any BGHS athletics or activities. While the desire to participate in outside club sports, work or any other activity is understood, we have found the whole group suffers when its members have too many other commitments. If you plan on being involved in other activities, a hard copy of a schedules must be arranged and discussed with Ms. Carrison.

Please note that during rehearsal schedules time CANNOT be shared with other sports!!!!

Failure to adhere to required orchesis rules, rehearsals, and performances may result in suspension from dances and performances opportunities and possibly from the group entirely when necessary. Along with this, your grade in orchesis will also be effected. In order to be successful as a team, all members must work together to be honest and committed 100%.

CONDUCT

Orchesis members at Buffalo Grove High School are to abide by the co-curricular code of conduct. A hand out and form will be distributed at the start of the school year. The way students should act, as well as appear in school is very important. Students should be leaders, respected by their peers. No member should put themselves in compromising situations. Consequences may be issued per co curricular code. All members must have good academic standings according to the Code, or dismissal from performances will be issued.

DAILY ATTENDANCE AND REHEARSALS

Daily attendance sheets will be kept by the instructor. Dancers MUST be on time to all rehearsals, meetings and performances. If a dancer must leave practice early, a written note or e-mail from a parent must be presented to the teacher. Driver's Ed must be planned around rehearsal schedules. *Work schedules cannot interfere, for example consistently leaving early from rehearsal or tech week to get to a job.* If you are tardy 3 times to rehearsals, performances or guest artist, a consequence will be issued.

Transportation arrangements for all rehearsals should be made in advance to facilitate all dancers.

Rehearsals:

1. **Schedule I** will run from August until Homecoming Performance and Artist In Residence. After school rehearsals will be every Monday and Wednesday until 5 pm AIR schedule will be TBA.
2. **Schedule II (SHOW SEASON)** will be the annual show schedule and will run from November up until the show. Rehearsals will be Monday-Thursday until 5:45 pm and sometimes added Fridays or Saturdays (depends on days off and finals schedules) **Mandatory attendance** once we have moved into the theatre prior to show. You cannot be excused for any other activities, work or productions. Any conflicting Orchestra or music performances supported by District 214 must be communicated prior to the date. *Show Contracts stating the above commitments will be signed prior to show rehearsals starting.*
3. **Schedule III** will run after show until May. After school rehearsals will be Monday and/or Wednesdays until 4 or 4:30 pm. This is in preparation for spotlight assembly and mini concert.

Extra Rehearsals: Schedules will depend on rehearsals for Districts at other schools, guest artists, and State Showcase if needed.

Summer Rehearsals: Schedules for dance and fitness conditioning, master classes, fundraising, and group activities will depend on dates decided at the orchesis meeting in May. Attending these events is highly recommended.
