

Bison Boosters Membership Form

Buffalo Grove High School
1100 West Dundee Road · Buffalo Grove, IL 60089

The Bison Boosters is a Mid-Suburban League's premier nonprofit organization run by parent volunteers. Boosters help to support the nearly 30 boys and girls BGHS athletic programs by:

- Unifying and strengthen public awareness of the various athletic programs
- Promoting positive sportsmanship as well as goodwill towards visiting competitors, coaches and spectators
- Providing assistance through various fund raising initiatives to improve facilities and equipment beyond the established administration budgets
- Creating an annual scholarship fund resulting in a monetary scholarship being awarded to one outstanding male and one female BGHS athlete

Please consider making your **\$25 tax-deductible donation** to help support our athletes. Please return this form and check to BGHS Attention: Bison Boosters Membership. Checks should be made payable to **BGHS Bison Boosters**.
